

## **Arch Stokes Addresses 2004 Leadership Roundtable**

Chief executives from Ruth's Chris Steak House, Coca Cola, Host Marriott, Tony Roma's, Anton Airfoods and other food service industry leaders gathered in Northern California in October 2004 to address the unprecedented growth and challenges in their industry.

Arch Stokes addressed this prestigious group on the subject, "How Employment-Related Laws Affect the Food Service Industry." Fellow speakers included Leon Panetta, Former Chief of Staff to President Bill Clinton; Jerry Brown, Mayor of Oakland, California; Judge William S. Sessions, Former Director, FBI; and Stephen Baum, President of The Point Group Network.

Shea Stokes & Carter continues to monitor developments from the frontlines of the food service industry. We stay abreast of changing forces that may impact our clients, and are here to support clients in proactively addressing these issues.
